

# FIRE FOUNDRY

## APPLY FOR FIRE FOUNDRY!

### Interested in a career in the fire service?

FIRE Foundry provides workforce development opportunities as well as educational and support services! This year-long program is geared towards individuals pursuing careers in emergency response, with a commitment to increase access to firefighter training, education, and employment for underserved communities.

#### Opportunities within Foundry include:

- Mentorship with career firefighters, fire skills training workshops, and wrap-around services
- Classes with College of Marin for Pre-Requisites for FF1 Academy with a pathway to earning an A.A. in Public Safety
- Fuels crew employment and training with Conservation Corps North Bay
